

Feedback from members of our Greenbrook Kindergarten Community

A wonderful centre that truly excels in their care and education of the kids. My little one has loved every minute going and I can't wait to enrol my second child there when the time comes.

Caring, understanding and supportive educators. A community environment, great session times. A professionally run kindergarten with all relevant information shared with parents clearly and promptly.

Cooperative staff members, experience handling child's emotions. I like the Storypark posts in which I can see all activities the kids are doing it's amazing to watch them dancing, playing.

Great communication. Kind, professional, experienced staff. A wonderful, safe environment for kids to enjoy themselves and grow in. Engaging and individualised learning opportunities.

I feel Greenbrook kindergarten provides an excellent start to my child's learning. Our family is very settled here, and I like that my child feels very safe and is encouraged to try new experiences and engage in outdoor play if the weather is reasonable. My child is also supported to learn to be independent which gives me the confidence to know they'll be ready for school when the time comes. Staff actively engage with children and their families and have created an overall warm environment.

Friendly, trained and experienced staff know the students really well. They provide honest/quality feedback about children's progress/needs/areas to work on. Children appear to be happy and engaged.

The respect-centered approach.....where the children are encouraged to play together respectfully.

The staff are absolutely incredible and are the core reason Greenbrook Kindergarten continues to be an incredible service. The program is fantastic, the community they have created is warm and wonderful. The relationships they build with children and families are professional and warm.

The teacher, the teachers' assistants and admin staff are all amazing, the whole curriculum from incursions to all the learning play areas and activities. Just everything best decision we made was choosing Greenbrook Kindergarten!
